

WINE TASTING

HOST: BOB CUBILLAS

Wallace Brooks Pinot Gris 11.29

Wonderful aromas of a fuzzy peach and apricot, tangerine and lemon juice in the nose. In the mouth, its pleasantly zingy with more tangerine and lemon juice. Try this with ceviche or poached halibut.

Farnese Chardonnay 12.29

Lively straw in color, the nose is intense and quite persistent, fruity with notes of tropical fruits and fresh peaches. On the palate, good balance, body and intensity. Try this with delicate white meat or tarragon chicken.

Toscolo Chianti 13.99

This wine is clean and ripe, with strawberry and raspberry aromas. Typical of the Sangiovese grape. The pure cherry and raspberry flavors are not heavy at all; it's light, bright and clear. Perfect with your favorite tomato pasta sauce dish or risotto.

Goodnight Cabernet Sauvignon 15.99

This Cabernet Sauvignon is very fruit-forward and lush. There are juicy, enticing aromas of cassis, licorice, mocha and cola on the nose. On the mouth, this wine delivers with bold flavors of dark, rich chocolate, cassis, plum and ripe cherry. The chewy tannins of this wine make it perfect with grilled steak.
