Twisted Vine Wine

Villa Pozzi Pinot Grigio

9.39

This 100% Pinot Grigio is light straw colored, exhibits soft aromatic flavors of perfumed rose and soft honeysuckle that are attractive and indicative of the refreshing and round fruit style. The structure of this wine is well balanced and clean, with depth of fruit showing through. Wonderfully complemented by firm and crisp acidic finish.

Jeckle Chardonnay

9.29

The aromas of apricot, pear and melon are highlighted with touches of jasmine, licorice and a light passion fruit with just a touch of oak. This full wine has a crisp acid backbone and light minerality. A smooth, rich mouth-feel with nice flavors of orange peel highlighted with floral notes and a hint of oak creates a delightful harmony of flavors.

Ruta 22 Malbec

12.89

This 100% Malbec is dark ruby red in color. The nose is greeted with the dark fruit of blackberries and blueberries with a hint of plum. Smooth and round in the mouth with firm but approachable tannins.

75 Wine Company Cabernet Sauvignon

21.99

This Cabernet by Tuck Beckstoffer has an incredible dense, almost violet color. Beautiful aromas of ripe berries, cedar, and an unmistakable minerality dominate the nose. On the palate, this wine displays terrific ripeness and showcases crushed espresso beans, blackberry, and dark bittersweet chocolate. It has an incredible multilayered complexity that leads to a finish that lingers on and on.
