

WINE TASTING

HOST: BOB CUBILLAS

Raymond Reserve Sauvignon Blanc

13.59

This blend of 99% Sauvignon Blanc with 1% Semillion added to the final blend to complement the citrus of the Sauvignon Blanc and to provide richness. Opening aromas of grapefruit, lemon, pummel, lime and kumquat with notes of honeysuckle, lemongrass and orange blossoms followed by lively flavors of grapefruit, pear, green apple, lemon and lime amid finishing touches of vanilla. A perfect picnic wine.

Thomas Henry Napa Chardonnay

12.59

A beautiful medium gold color in the glass and produces lovely aromas of apples, citrus, vanilla and buttery toast. On the palate, expect more tropical citrus from this full-bodied wine along with the toasty oak. Grilled lobster on the barbecue, white fish or a simple salad.

Goodnight Merlot

14.99

On the nose, notes of red cherry, plum and dark berry dominate with hints of vanilla spice. The palate follows with juicy berry and plum notes, vanilla mocha and hints of clove. Plush and full-bodied with a long rich finish. Consider this with baby back ribs or Flatiron steak or grilled Portobello mushrooms.

Terra Robles Cabernet Sauvignon

15.49

Wonderful aromas of plush ripe stone fruit, brambleberry and cocoa nibs on the nose. The palate echoes the flavor profile of plum, berry, dark chocolate and spice all supported by balanced, rich velvety tannins. Enjoy this with steak, venison, hard cheese, chocolate and fresh berries.
