

WINE TASTING

HOST: BOB CUBILLAS & SHELTON VINEYARDS

Shelton Yadkin Valley Riesling 12.69

A lovely floral and fruity Riesling with subtle hints of apricot, honey, apple and peach. Well-balanced alcohol and acidity provide structural backbone and a clean, crisp finish.

Shelton American Sauvignon Blanc 13.69

This light, dry crisp and refreshing Sauvignon Blanc has hints of grapefruit and ripe melon. Pairs great with shrimp or just by itself on a hot afternoon.

Shelton Yadkin Valley Chardonnay 15.89

This Chardonnay has focused flavors of melon and pear while maintaining the citrus character. Aging "Sur Les" in French oak adds subtle nuances of caramel and vanilla to the overall taste profile.

Shelton Yadkin Valley Syrah 15.89

A delightful Mediterranean-style Syrah with ample fruit and peppery spice notes unique to this grape. Lighter style but fruit driven. Excellent with pork.

Shelton Estate Merlot 15.99

A rich Merlot with intense flavors of cherry, tea, and vanilla. A pleasing texture that is soft and round makes this perfect with lean beef.

Shelton Estate Cabernet Sauvignon 15.99

Concentrated flavors of red currant, cedar, and hints of chocolate support the ample structure of soft and clean tannins. Great with a steak dinner.
