## **Ca' Briano Pinot Grigio**

**8.99**

This Pinot Grigio displays lovely aromas of melon and citrus. A light taste of apple leads to fresh and fruity flavors of lime, peach and lychee. Moreover the palate is covered with a mineral nuance and a whiff of honey.

## **Red Lion Chardonnay**

**11.89**

This Chardonnay shows a distinct minerality on the nose, accentuated by citrus notes. This follows on the palate, supported by rich stone fruits and white melon making the delightfully mouth-filling.

## **Jekel Pinot Noir**

**7.99**

Fans of Pinot Noir will instantly recognize traditional aromas of bright cherry cola, cloves dried herbs, black tea and brambly raspberry with hints of sun-dried tomato and vanilla spice. In the mouth this medium-bodied wine is rich with layers of complexity led by bright cherries and pleasant herbs.

## **Red Knot Shiraz**

**10.59**

Bright plum red with fragrant strawberry and black cherry aromas is subtly enhanced with floral nuances and hints of savory oak. The palate overflows with ripe, luscious berries and the long fruit finish is defined with subtle oak.
